

Code of ethics framework provides a comprehensive structure for guiding ethical decision-making and principles.

RESPECT FOR THE PUBLIC GOOD: Prioritize the well-being and interests of society, its members, and the environment.

HONESTY AND TRANSPARENCY: Be truthful and open in all interactions, providing full disclosure of capabilities, limitations, and potential problems.

FAIRNESS AND JUSTICE: Foster fair participation and equitable access, avoiding discrimination and promoting inclusivity and accessibility.

RESPONSIBILITY AND ACCOUNTABILITY: Take ownership of actions and decisions, being prepared to undo or mitigate harm and ensure accountability.
